About The College

Inspired by the life and teaching of his illustrious Master, Shri Ramakrishna Paramahansa Deva, the prophet of Love and Peace, Swami Vivekananda, the Patriot-Saint of India, deeply felt that man is the best manifestation of God on earth, and therefore, service to mankind is the best form of God-worship. With a view to propagating this glorious message to the world and demonstrating its truth in practical life he founded the Ramakrishna Mission in May 1897.

The Ramakrishna Mission Boys' Home, Rahara, is one such branch which was established on 1st September, 1944 as an orphanage with 37 boys who were rendered orphan by Bengal Famine of 1942-43. It gradually extended various activities in the field of education. Ramakrishna Mission Brahmananda College of Education is one such unit established under The Ramakrishna Mission Boys' Home, Rahara in the year 1961. The college has already made its distinguished mark in the teacher training programme of the state. The college plan comprises a well-equipped library, a play-ground and a three storied hostel building. Laboratory facilities for the study of Physical Science, Life Science and Geography, workshop facilities for Work Education projects, efficient teaching staffs etc. Now this college is accredited by NAAC and affiliated to WBUTTEPA (The West Bengal University of Teachers' Training Education Planning and Administration). The college is fully residential and recognized by the NCTE.

About the Conference

COVID -19 pandemic has posed complex challenges across the globe. According to UN (2020), this pandemic has created the biggest economic, social and human crisis in seventy-five years and has influenced humans' lives and livelihood globally. It has also posed new challenges in the educational sectors. Many students who are coming from remote backgrounds are the worst sufferers since they don't have internet access properly; even some of them don't have mobile phones. This phenomenon is adversely influencing their education. Therefore, this seminar aims to throw a light on current pandemic situation, especially the physical and mental problems faced by student-community during pandemic period.

Target Participants

This webinar is for teachers, teacher educators, research scholars and students.

CHIEF PATRON

Swami Kedaratmananda
